~~ **Helper by Design: God's Perfect Plan for Women in Marriage by Elyse Fitzpatrick**

What does the King James word "Helpmate" really mean? Elyse discovered when God says He is our helper it means He protects, aids, succors, supports, and surrounds us. She realized that a wife who is reflecting God's helping character desires to strengthen, comfort and protect her husband. She becomes to him a companion who offers what he really needs: help in his God-given calling. Take this study to help you discover your ultimate purpose as a helper to your husband, a helper who is true to God's design.

As you identify strongholds in your life, you will progress on the journey toward greater freedom in Christ.
